1. Who can see the ramifications of my coming, my already there? Who can see/observe the obvious? Who can see unseen things that now become seen and unmissable? Who is ready for the/that great day of the lord, when all things will perish not me? Who can see the ships in harbor sink, the banks close/no more, the value of dollars useless? Who can see the value of a dollar now/today? Ten times it, times zero. I love you. Amen.

2. Who can behold the messiness of tsunami's, land and sea masses torn up/eroded, imploded, exploded some? I love you. Who can read Revelation and have a clue or care to? Me. I wrote it. Mostly correct, I give you all. Now and forever. Amen.

3. Who can believe the obvious? Who can receive the glorious? Who wants/will be me in/during turmoil? Peace? Answer me? Who will lead unprecedentally? Who can? I will/do. Prepared I am/have been. This is the hour day and watch me lead/pour over dead coals, not; bodies, looking for alive ones not but who can see the dry bones live, not; but wet? I love you all. This is the moment cried after. Darkness, gloominess and who can see good from/in bad, and what wherefore now comes of age? Who entertains angels unaware not but aware? Who will want/receive me, in them, now?

4. Can do miracles, not; watch me elevate the swollen not, elevated not; but foreigners, commoners, and Johnny-come-lately, not; but whoso knows me/my name/body and wants me for me. I love you/them all.

5. This is the time of Joel. Decker not; decks submerged mostly, many. I love you all.

6. Who can see cities smoldering and smokestacks standing in pools of blood/water?

7. I love you all.

8. Who will be ready/arise? Who is now available? Who will surrender? Who will candle hold not but candle be, mine only/alone?

9. Think not of another future somewhere else and generations future dealing with, see me/you now in the midst of. And all said amen, not; all are crying; cry not all, great celebrations taking place; and who can see the horse and the/its rider thrown into the sea?

10. I love you all.

11. A day of cataclysm and celebration. See candor none, candor all. No whitewashing anything. White comes not; darkness and thick blood. But who can see the transfigurations? I love you all. Pregnancy not; deliveries. I love you.

12. This is the time. Shrink not back. Great opportunity looms as being me I am. I hope/trust you are/will be. There is time/is there time? Ask father.

13. I love you.

Good day.
